Patio Awning

GUIDELINES AND SPECIFICATIONS FOR PATIO AWNINGS

The BOD has researched different awning companies and believes the Abbott Industries to be the best awning for our community. The Board of Directors has approved the use and installation of **Abbott Awnings** for the use in the Patio area between the Main building and the Garage. The Patio Awning must be approved by the Board of Directors before contacting the Awning Company or any installation. The awning must comply with the following guidelines:

- a. The awning must be purchased from Abbott Industries.
- b. The width of the awning can be no greater than 19 feet.
- c. The awning must be at least 2 feet shorter than the width of the Patio on each side.
- d. The awning can extend from the Main Building no greater than 12 feet and cannot attach or touch the Garage.
- e. The Color of the Awning Frame must be Cream.
- f. You may choose from one of the following Awning Fabrics:
#4672 #4616 #4676 #4654 4696 #4620 (Color samples are available at the Managers Office)
- g. You may choose any of the following accessories:
(Remote, Hood, Sun& Wind Sensor or Wind Sensor)
- h. You may choose one of the 12 valances available.
- i. Abbott Industries will not install the awning without a copy of the signed and approved request from the B.O.D.
- j. A Permit is not required from the City of Cypress
